

The Dog Club is a one-of-a-kind daycare and boarding facility designed to provide dogs with a fun, social, and supervised environment. Our dedicated staff members stay with the dogs 24/7, ensuring they receive constant care and affection. Because we prioritize the safety and well-being of our pack, we take great care when introducing new dogs to our facility. We appreciate your patience as we gather detailed information about your pup to ensure they are a good fit for our community.

For dogs over 30 lbs, a mandatory "Meet and Greet" assessment is required before they can join daycare. If your dog passes the assessment, they are welcome to attend daycare. For overnight stays, dogs must complete the assessment and attend at least two half-days of daycare within a week before boarding. To begin the process, please call us at 406-890-2220 and send your dog's vaccination records and a photo via email. Reservations will only be made after we receive all necessary information, and a daycare manager will reach out to discuss your dog's suitability. Due to our limited capacity, full payment is required at the time of booking.

For dogs under 30 lbs, the same vaccination and Bordetella policies apply. All dogs must be up to date on DPP, Rabies, and Bordetella (required every six months). If a dog has not had the Bordetella vaccine in over a year, we recommend waiting 7-10 days for it to take effect before bringing them in. Additionally, all dogs must wear a Quick Release Collar for safety.

Our pricing is structured for both half-day and full-day daycare, as well as overnight stays. Half-day daycare (less than 5 hours) starts at \$55 for one dog, while full-day daycare (more than 5 hours) is \$75. Overnight sleepovers are \$95 per night for one dog. Weekend, holiday, and peak season stays include an additional \$5 fee. Our cancellation policy allows for a full refund if canceled two weeks before check-in, a 50% refund for cancellations made 7-14 days in advance, and no refunds for cancellations within a week of check-in.

We look forward to welcoming your pup to The Dog Club, where they will enjoy a fun and safe environment with plenty of love and supervision!
